Enjoy unlimited access to thousands of Storia titles for the entire school year.

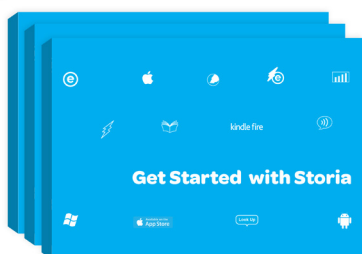

Discover a rich digital experience perfect for independent readers.

Make the most of eBooks with the Storia Teacher Support System.

Your school subscription comes with a support system for each of your teachers!

READING WIZARD Finding the Perfect eBook

A tool for managing the catalog of subscription eBooks and creating customized lesson plans, with titles searchable by reading level, genre, and Common Core support bundles.

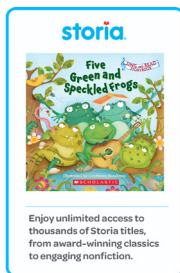

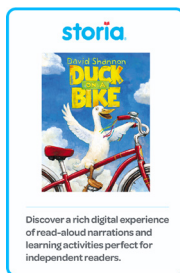

GUIDE "Getting the Most Out of Storia"

Teacher support with a user guide to help setup and implementation with either independent readers, small groups, or whole-class instruction. Plus, ongoing tips and ideas shared through emails, and free online eReading resources at the "Spotlight on Storia" website.

CALENDAR Daily Classroom Usage Ideas

A comprehensive teaching-tips calendar for every month of the school year filled with daily tips and ideas for using eBook features to help build reading confidence and motivate students to read more.

FLASH CARDS Activity Ideas & Starters

A set of flash cards, each dedicated to a specific eBook title and featuring tips and lesson ideas for best integrating the features of that eBook into classroom curriculum.

REWARDS Recognizing Student Progress

Storia stickers for students to post to the calendar when finishing an eBook, to recognize their progress and encourage more reading participation. Fill the whole calendar and every student gets a FREE eBook for their own digital library!

Common Core Support System

Build your students' breadth of knowledge around specified topics by encouraging them to work together to explore a given domain each week through Storia eBooks.

FEATURES

THEMED COLLECTIONS

You will receive a summary of recommended domains for your grade with pre-selected collections of 10-15 eBooks, by grade and level, to focus on within each module. Use the Storia wizard to pull the collections you want from the master Storia library

TEACHER SUPPORT & RESOURCES

Each collection includes a supplemental teacher's eGuides, by module, that include tips on how to teach these units to best support CCSS

REWARDS/RECOGNITION

Teachers will be provided with completion certificates and stickers related to each weekly to hand out to students after each module is completed

INDIVIDUAL ASSESSMENT

Individual Reading Reports tied to each student will give the teacher an up-to-date view of which books/theme have been completed, words looked up, time spent reading, comprehension quiz assessment, and more

Farm	Mammals
Reptiles & Amphibians	Plants
Space	Habitats
Summer Safety	Black History

SAMPLE THEMES & LESSON IDEAS

WEEK 1: FARM

Video Intro

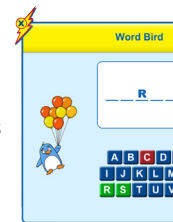

To prepare students for reading, first watch the video on page 9 to see real cattle ranchers at work.

[Farm, pg 9](#)

Fruit Vocabulary

To solve the "Word Bird" activity on page 27, have students guess the letters to solve the themed mystery word.

[Farm, pg 27](#)

WEEK 2: SPACE

Rock Cycle

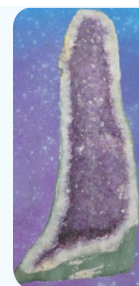

Using the diagram on page 8, divide students into groups focusing on each phase of the rock cycle.

[Rocks & Minerals, pg 8](#)

Guess the Picture

After completing the book, use the Scratch & See learning activity on page 21 as a fun guessing-game review.
